

Canadian Nurse Discounts: The Ultimate List

The *Dealhack Canada Nurse and Healthcare Professional Discount List* is the result of our quarterly survey of brands that offer discounts to Canadian nurses and other healthcare professionals. We verify each and every store on this list every three months and we add more to the list as we come across them.

The list is divided into 10 categories and can be used as the ultimate discount reference guide for nurses and other healthcare professionals. You can save or print the list to use as a handy reference.

Additional Tips for Canadian Health Professionals

- Every year, during National Nursing Week (May 6 – May 12), many businesses offer special discounts and promotions in celebration of nurses.
- It's almost always a good idea to ask businesses if they offer a discount, as they don't always openly advertise registered nurse and healthcare professional discounts.
- Most car insurance companies offer special rates and promotions to specific low-risk professionals, including healthcare professionals.
- There are many nurse membership organizations that are created for registered nurses in specific fields of medicine. Be sure to look for membership organizations within your specific area of expertise for additional discounts and offers.
