

# Senior Citizen Discount Guide: The Ultimate List of Stores

The *Dealhack Senior Citizen Discounts Guide* is the result of our quarterly survey of brands that offer senior discounts. Every three months, our team independently verifies each and every discount on this list. We also add more brands to the list regularly when we come across them.

The list contains more than 180 brands that are conveniently grouped into 18 categories. You can also save or print the list to use as a handy reference.

Senior citizen discounts are generally available once you reach 50 years old. Some stores may require you to be a certain age, usually between 55-65 years old. This guide is organized based on the minimum age requirement to make it easier for you to determine your eligibility. Don't forget to bring your senior citizen ID card when you go shopping!
